

Reset Password — Feb 21, 2024

Use Face, Fingerprint or PIN to sign in to AOL

Many smart devices are equipped with biometric authenticators. Learn how to use face, fingerprint or PIN authentication on your smart device to sign in.

Entering a password to sign in to your AOL account can sometimes feel like a hassle, especially if you forget it. If your smart device is enabled with biometric authenticators like a fingerprint sensor or facial recognition technology, you can sign in with ease.

- + **Enable biometric sign in**
- + **Disable biometric sign in**
